

CURRICULUM VITAE

Harry Owino Njoga

Tel: 0769986605

E-mail: harrynjoga@gmail.com

Profile

A dynamic and skilled Web Developer with 4 years of experience in designing, developing, and maintaining web applications. Proficient in JavaScript, HTML, CSS, Video Editing, PHP, and JSON, with a proven track record of delivering high-quality projects within deadlines. Adept at collaborating with cross-functional teams and stakeholders to achieve project goals. Seeking to leverage expertise and passion for web development in a challenging role.

Technical Competencies and Skills

- Coding languages - I am familiar with CSS, HTML, JavaScript, Flutter, PHP, Python and JSON.
- Operating systems - I have had a lot of interactions with different operating systems, for example Linux Ubuntu, Windows 10, and MacOS.
- UX and UI design - Some of the programs are Adobe InDesign, Adobe After Effects, Adobe Photoshop, Adobe XD and Figma.
- Web frameworks - This includes Django and ASP.NET.
- Content Management System – I have experience with different CMS systems that include WordPress, Wix.com and Squarespace.

Education

- 2020 - 2023: St Paul's University - Diploma in Computer Science
- 2019 - 2020: Africa Digital Media Institute - Certificate in Multimedia

Additional Professional Courses

- Google Digital Marketing Training (40 hours) - this program offered by Google Inc. for Google digital skills for Africa has enabled me to understand marketing campaigns online and how to use online resources to advertise services and businesses.
- Stock market Training by Nairobi Securities Exchange (30 September 2021, 4 hours) - training which was offered by St Paul's university in collaboration with Nairobi Securities Exchange has also enabled me further to understand the Business environment in Kenya and globally.
- Finn Church Aid web design course - I took a 6-month course in web design at FCA which has really boosted my arsenal of skills in computer science.

Work Experience

Web Development - Volunteer

Jenge Kulture, 9/11/2022 - 31/1/2024

- Collaborated with team members to design and develop interactive and user-friendly websites.
- Contributed to the enhancement and maintenance of existing web applications. Demonstrated proficiency in JavaScript, HTML, CSS, PHP, and JSON to implement innovative features.
- Volunteered under the supervision of Ted Nyaima and Fladwell Rawinji, gaining valuable insights into project management and teamwork.

Internship - Web Development

Fintech Kenya, 11/10/2021 - 28/1/2022

- Completed a 3-month internship program focusing on web development.
- Acquired practical experience in Flutter, Android Development and video editing.
- Assisted in the development and testing of web applications, gaining hands-on experience with modern development tools and technologies.
- Demonstrated strong problem-solving skills and attention to detail in identifying and resolving technical issues.
